Performer Beyonce has written a letter to the Kentucky Attorney General Daniel Cameron demanding justice for Breonna Taylor, a 26-year-old EMT who was fatally shot when police raided her home in Louisville, Kentucky in March.

"Three months have passed -- and Breonna Taylor's family still waits for justice. Ms Taylor's family has not been able to take time to process and grieve. Instead, they have been working tirelessly to rally the support of friends, their community, and the country to obtain justice for Breonna," Beyonce wrote.

The letter goes on to demand that the officers involved be charged, that the investigation and prosecution be transparent, and that the Louisville police department's response to the killing be investigated.
