The World Baseball Softball Confederation (WBSC) and the Osaka-based SSK Corporation today announced a partnership expansion that makes the iconic Japanese brand the Exclusive/Official Competition Ball and Kit Supplier of baseball's biggest upcoming international events through 2020, including the top-tier 2019 Premier12, the 2020 Olympic Games and 2018-2020 Baseball World Cups.

The agreement expands upon WBSC and SSK's already existing global partnership, which made SSK the exclusive Umpire Kit Supplier for the inaugural 2015 Premier12 and Baseball World Cups (U-12, U-15, U-18, U-23, and Women's) for the 2015-2020 cycle.

As part of the newly expanded agreement, and beginning with the upcoming WBSC U-15 Baseball World Cup 2018 in Panama this August, SSK will have a major presence on the field of play of WBSC international baseball events, with the umpires kit, WBSC officials apparel and competition ball all derived from SSK's elite product line.

In addition, the SSK logo will be featured on all outfield fences and within team

dugouts, and the SSK corporate video will be shown on the scoreboard during select WBSC Premier12 and Baseball World Cup games. The innovative Japanese baseball brand will also have an in-stadium presence that includes space for setting up exhibitions. SSK will also have the right to use the WBSC, Baseball World Cup and Premier12 logos for other promotional and advertising activity.
