
Yaime Perez and Denia Caballero 1-2 in Birmingham

19/08/2019

The top three places in the women's discus reflected the 2019 world list with Cuban duo Yaime Perez and Denia Caballero getting the better of world and Olympic champion Sandra Perkovic.

Perkovic enjoyed a brief lead with her second-round effort of 61.97m but it was soon surpassed by Caballero's 64.59m just minutes later. Perez responded in the third round with 64.87m to take the lead. Neither Cuban improved in the second half of the competition, but Perkovic moved closer with her fifth-round effort of 63.80m.

With one more scoring opportunity left before the IAAF Diamond League final, Perez, Caballero and Perkovic have all done enough to qualify.
