

Any attempt to split China will end in vain – Xi

13/10/2019

Chinese President Xi Jinping said in Kathmandu on Sunday that anyone attempting to split China will be crushed and any external force backing such attempts will be deemed by the Chinese people as pipe-dreaming.

Xi made the remarks in talks with Nepali Prime Minister K.P. Sharma Oli, who said his country firmly supports China in safeguarding its sovereignty and territorial integrity and stands firm in upholding the one-China policy.

Nepal, added Oli, will never allow any force to use its territory for separatist activities against China.
