X Alfonso Is A Cuban Hip-Hop Pioneer Still Making Vibrant Music

02/02/2020

In 2001, X Alfonso produced one of those kinds of key moments n Cuban music that reverberate long after the fact.

His album Moré, a tribute to iconic Cuban vocalist Beny Moré, made a huge impact on how compatible hip-hop was to Cuban music.

This past September, Alfonso launched a series of monthly single releases that will culminate this coming September in his first album in 10 years.
