

Cuban University Graduated Professionals From 14 Countries

---

21/07/2015

More than thousand professionals from 14 countries graduated today from the University of Camaguey Ignacio Agramonte y Loynaz (Ucial), the first Cuban certificated, integrated Center of higher education. The Rector of that higher learning institution, Santiago Lajes, reported that of the thousand 025 graduated , 23 come from Latin America countries,the Caribbean, Africa and Asia. The graduation was dedicated to the 62 anniversary of the assaults on the barracks of Moncada in Santiago de Cuba and Carlos Manuel de Céspedes, in Bayamo.

He stressed that after rigorous evaluation by the National Accreditation Board, the institution became the first Cuban integrated. University, with the higher category of certified institution.

Lajes estimated that new graduates are the prized jewel that we have formed in these five years. He expressed with security that they are well prepared for life and that they will be magnificent professionals, at the level of their Nations.
