23/11/2016

Back luck if you're sitting in the back row at that gig.

But seriously, the Hawaiian former-child Elvis Presley tribute act-turned-R&B superstar has sold out all 100 dates on his forthcoming world tour within a day.

The tour will include and extra two extra nights at London's O2 Arena and extra dates at arenas in Glasgow, Birmingham, Ireland and Manchester.

[Bruno](#)'s latest album, 24K Magic came out last week and looks set to hit the top three.
